***The following is an outline on our position on  
DOG BREEDS***

*We believe that Dryden Mutual has attracted too much of the market for people who own breeds of dogs that were bred for their aggressive tendencies. Our CPL & OLT premiums are simply not adequate for such exposures. Please review the following for a guide when writing Personal Lines business.*

***In most cases, we will not allow liability to be written if the insured owns ANY of the following breeds at all:***

**American Bulldog or American Bulldog mixes (English Bulldog ok)**  
**Cane Corso or Cane Corso mixes**  
**Chow or Chow mixes**  
**Doberman Pinschers or Doberman Pinscher mixes (miniature ok)**  
**German Shepherd or German Shepherd mixes**  
**Husky or Husky mixes: Akita, Malamute, Samoyed, Siberian**  
**Mastiff/Bullmastiff or Mastiff/Bullmastiff mixes**  
**Pit Bulls or Pit Bull mixes: American Staffordshire Terrier,  
American Pit Bull Terriers, or Staffordshire Bull Terriers**  
**Presa Canarios or Presa Canarios mixes**  
**Rottweiler or Rottweiler mixes**

***Please Note: We require prior approval from underwriting, regardless of policy type, in order to entertain new applications when 3 or more dogs of ANY breed are owned and kept on premises.***

**TENANT OCCUPIED RENTAL PROPERTIES**

***Landlords who permit tenants to keep aggressive breeds of dogs on premises are asking for trouble. We will not write liability on either a Landlords package or Residential Fire policy when we know that one or more of the above breeds are permitted on premises by the landlord.***

**OWNER OCCUPIED & RENTER (ML-4) POLICIES**

***Contact underwriting for prior approval before binding coverage on any owner occupied risk where one or more of the above breeds are owned by the insured.***
