

OFF PREMISES POWER CLAUSE-TIME ELEMENT

Refer to Supplemental Declarations if information is not shown on this form.

We provide coverage under this endorsement subject to the *terms* contained in the General Policy provisions.

SCHEDULE

Location # _____ Building # _____.

Including Transmission Lines.

Excluding Transmission Lines.

Off Premises Power Clause Amount of Insurance \$ _____.

Off Premises Power Clause Deductible \$ _____ applicable to each location, per occurrence.

WHAT WE PAY FOR

We will pay up to the amount of insurance shown above (in excess of the deductible) for loss of business income or extra expense, when applicable, at the scheduled premises caused by physical damage to off premises power generation equipment. The interruption of business or extra expense must result from direct damage by covered causes of loss to generating plants, substations, transformers or other similar equipment which furnishes electricity, steam or gas to the premises shown above.
